

**Tolaram Group**

15<sup>th</sup> June, 2017

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report as I was unaware of the deadline. Our previous contact left the company, and the account contact details were not updated. Hence all the emails and reminders were still going to the previous employee's email address, without our knowledge.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 1<sup>st</sup> September, 2017 at the latest.

Sincerely yours,

Deepti Lalchandani

HR and Communications Manager
