To

Our stakeholders,

IMAECSED recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to preparation of our Progress Report for the current year.

We hereby request for an extension period for 30 days only in order to accept our COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE has been posted today on the UN Global Compact website.

Sincerely yours,

Samir Kumar Das,

Chairman
