To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual

Preparation and posting of a Communication on Progress(COP)that comprises of a CEO statement of

Continued support for the UN Global Compact, a description of practical actions with regard to the

Principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in a creating, sharing and posting our COP report due to match the day of issue with ANNUAL REPORT.

We hereby ask for an extension period in order to be able to post a COP that describes our company's

efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be

posted on the UN Global Compact website by September 30, 2017 at the latest.

Sincerely yours,

Mr. Jun Satou
