To our Stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication in Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are late in creating, sharing and posting our COP report due to a corporate reorganization that legally absorbed four companies pertaining to our group that used to operate independently (<https://www.diariolibre.com/economia/maritima-dominicana-anuncia-unificacion-de-sus-empresas-BC7613223>). As well, the person originally in charge of COP is no longer in the company.

We hereby ask for an extension period in order to be able to post a COP that describes our company's effort and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by October 16th, 2017 at the latest.

Sincerely yours,

Ivonne Gomez de Bobadilla,
Communication Manager
