To our stakeholders

We realize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to changes in our funding cycles, consequently leading to changes in project implementation and reporting dates.

We hereby ask for an extension in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by the 5th of October 2015.

We thank you for your consideration and understanding.

Sincerely yours,

Kevin Omolo
