18 July 2017

To our stakeholders,

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in sharing and posting our COP report due to senior executive-level employee changes within Mondi during the past two months, and the accompanying holiday period.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global compact. Our new COP report will be posted on the UN Global Compact website by 28th July 2017 at the latest.

Yours sincerely,
