To the kind attention of the Relationship Management Team,

I am pleased to confirm that Bank Audi reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In fulfillment of our third Communication on Progress, we hereby submit our 2016 CSR Report, where we describe our actions to integrate the Global Compact and its principles into our business, strategy, culture and daily operations. We are also committed to share this information with our stakeholders using our various channels of communication.

The Report conveys the evolution of our CSR journey, guided by our longstanding core values. This year, we reinforced our CSR impact by ensuring sustainability for SMEs in the form of a new business line and we aligned our CSR strategy with the 5 UN Sustainable Development Goals (SDGs) we have chosen to champion.

Responsibly yours,

Marc Audi
