Subject: Submission of Teranga Gold Corporation Communication On Progress 2015 and statement of continued support to the United Nations Global Compact

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to a delay in the production of our annual responsibility report, which should be released by the month of August.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by October 20th, 2017 at the latest.

Yours Sincerely,

Richard Young
President & CEO,
Teranga Gold Corporation, Canada, Grace letter for 2016 COP
