

United Nations Global Compact Communication on Engagement 2016/2017

1. Statement by the chief executive or equivalent expressing continued support for the UN Global Compact and renewing the participant's ongoing commitment to the initiative

On behalf of iuventum, I am pleased to confirm that we continue to support the UN Global Compact principles with respect to human rights, labour, environment, and anti-corruption, in particular with regard to global economic and environmental challenges which require global solutions including global education. The vision of iuventum is to provide global education across generations. The focus is on Education for Sustainable Development (ESD), intercultural and entrepreneurial education. The priority is on transforming learning and training environments.

2. A description of the practical actions that the organization has taken to support the UN Global Compact principles and to engage with the initiative

iuventum has taken practical actions to support the UN Global Compact principles, in particular such as through Human Rights Council participation, and in general such as our programs as to be seen on the iuventum website and broader involvement with the UN and other entities as to be seen in the following list from October 2015 to June 2017, which is for the reporting period 2016/2017.
