H.E. António Guterres Secretary-General United Nations
New York, NY 10017 USA

Dear Mr. Secretary General,

The Grupo Tático de Força Ambiental (Environmental Force Tactical Group) or “Guarda Nacional Ambiental” (National Environmental Guard) RENEWS his supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public. We also pledge to participate in and engage with the UN Global Compact in the following way(s):

Our purposes and objectives:

- I - preserve and protect nature and combat environmental degradation;
- II - to educate, raise awareness, disseminate, mobilize and organize the community to achieve physical, mental and social well-being, based on the fundamental principles of ecology;
- III - to promote and / or produce cultural activities, technical, legal, scientific, political, environmental and others aimed at achieving a balanced environment for humans and all other species;
- IV - investigate the unexplored laws of nature and the powers latent in man;
- V - to develop prevention activities and fire-fighting in native vegetation;
- VI - promotion of culture, defense and preservation of historical and artistic heritage;
- VII - the promotion of social assistance;
- VIII - free promotion of education, noting the complementary form of participation of the organizations mentioned in Brazilian Law No. 9.790, of March 23, 1999;
- IX - promoting volunteering;
- X - promoting economic and social development and combating poverty;
- XI - promotion of ethics, peace, citizenship, human rights, the fauna and flora, democracy and other universal values;
- XII - to carry out and promote research activities related to nature conservation;

- XIII - promote the creation and maintain tree nurseries;
- XIV - disseminating conservation knowledge and principles of sustainable development through their actions, courses, competitions, publications, lectures and conferences;
- XV - sign agreements, adjustments, agreements and partnerships, aimed at achieving its goals;
- XVI - to involve people interested in ecological and social work of any kind, defined by the General Assembly;
- XVII - practice and disseminate cooperative production methods and environmental protection;
- XVIII - promoting environmental education, recreation and leisure activities and socio-cultural integration of the community.

Some of our recent activities (2016-2017):

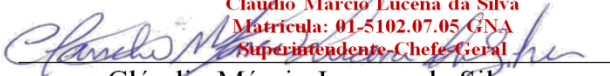

- Defense and protection of the environment;
- Preservation of ecologically important areas such as water resources, reforestation, prevention of pollution of rivers, lagoons and mangroves;
- Acting and guiding the procedures of search, rescue and rescue;
- Prevention and action against forest fires;
- Preventive actions in the health and social area;
- Guidance and prevention against infectious diseases with Professional volunteers in the health, social and other fields;
- Protection and protection of public and historical sites;
- Traffic control; among others.

The photos about these and other activities are on our page:

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Cláudio Márcio Lucena da Silva
