

O Presidente do Conselho de Administração

The Chairman

Statement of continued support

Dear Stakeholders,

I am pleased to confirm that BONWS SEGUROS – S.A. reaffirms its support of the ten principles of the United Nations Global Compact in the areas of Human Rights, Labor Relations, Environment as well as Anti- corruption.

In this annual communication on progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations, furthermore, we commit to share this information with our stakeholders using our primary channels of communication.

Luanda, July 28th 2017

Yours faithfully,

The Chairman

Mário João Franco Horta

"The only certainty about the future is the fact that the future is uncertain."

Since its inception, BONWS Seguros S.A., has been adding values by providing financial peace of mind as well as stability to its clients by ensuring that the financial consequences of their risks are fully taken care of.

We do not only support and respect the protection of human rights at BONWS Seguros, but we do ensure that our policies regarding human rights' abuse are effectively enforced. Furthermore, we uphold the freedom of association of BONWS Seguros employees as well as their rights to collective bargaining thus ensuring that their human rights are not violated. In collaboration with the local Authorities have disseminated campaigns denouncing forced labor and child exploitation in our communities, we have a well-balanced workforce comprised of experienced Angolan Nationals as well as expatriates. Furthermore, we abide by the Angolan's labor laws as well as the International labor organization's code of conducts.

In addition to that, we treat fairly all our employees irrespective of their gender, race or nationality to effectively eradicate employee discrimination and social prejudice at work.

We at BONWS Seguros, are environmentally conscious and through our policies, we have created a culture of saving electricity, using recycled-materials and sponsoring the plantation of trees in our communities in order to minimize the negative effects of global warmth, we create awareness campaigns to educate our communities with issues relating to environmental protection and sustainability thus ensuring that we preserve our environment for the next generations as well continuously implement some awareness amongst our employees as well our main stakeholders on our policies concerning corporate social responsibilities as well as sustainability.

BONWS Seguros, is all about simplicity, transparency creativity, Credibility and Social responsibility,

"Transparency of reporting"

A "must have" for BONWS Seguros, we are committed to transparency of reporting on progress, we do comply with anti-Money laundering laws, having a rigorous compliance and internal audit office whose main function is to ensure that BONWS SEGUROS is a 100% compliant institution. Our compliance department is responsible for the identification and reporting of issues concerning: Money Laundering as well as Financial irregularities and Financing and transfer of Insurance (policies) to undisclosed beneficiaries (Insured), Bribery and Sexual Harassment and Tax evasion.

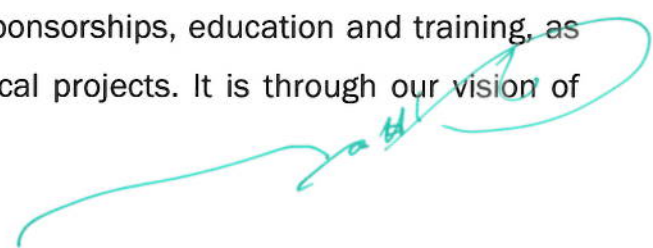

We inform and report to our relevant authorities on suspicious transactions, keeping and ensuring that whistle-blowers are safe and we motivate them to keep their hard work up.

BONWS Seguros has an impeccable record, our daily activities are transparent and aligned with the purpose of our existence. Our Certification with the Insurance regulatory body as well as our Licenses with the Ministry of Petroleum and with the reputable Angolan Centre for Entrepreneurial Development (CAE) boosts our image and credibility within the Insurance Industry.

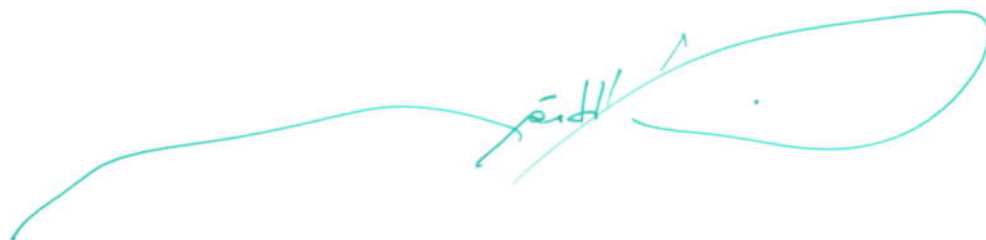

Keeping our focus, which aims to target the corporate sector jointly with our strategic partners, we are able to address a variety of institutional as well as individual insurance needs of our clients, Furthermore, our strong organizational culture which is in place, enables the decision-makers to create policies and procedures that are aligned with its strategic purposes.

Our Leadership style has contributed significantly to the motivation and creative thinking of our employees and collaborators, in addition to that, BONWS Seguros strengths and endeavor to deliver and sustain itself through the volatile and competitive insurance market, has been evidenced through its engagement with strategic partners, stakeholders, as well as employees who have been able not just to adapt to the changing business environment but to the evolving insurance needs of its clients as well, We continuously adapt our business tactics to address and fit into the other segments such as the particulars with the aim of increasing our market share in this segment.

At BONWS Seguros, we value our employees and their families; thus, we contribute to the social upliftment of the communities by offering sponsorships, education and training, as well as supporting some environmental and medical projects. It is through our vision of

becoming a member of the Global Compact and by becoming signatories of the UN-Global Compact that has strengthened our policies concerning not only our social responsibility, but also firming up our ideals that a society it's a mutual project aiming to work and achieve the better results for a common purpose.
