Dear Mr. Secretary-General,

This is to reassert the continued commitment of the Small and Medium Enterprises Funding Foundation to the sustainability principles of the Global Compact - Human, Rights, Labour, Renewable Energy, Environment and Anti-corruption and to uphold same in all cases possible.

In line with this commitment for engagement, we here submit a brief of our activities in Nigeria to advance the principles that relate directly to our sphere of influence.

I am pleased to submit information on our activities and practical actions taken in the last twelve months to implement the Global compact principle in our environment and a simple measurement of outcomes.

We pledge our continued support for the Global Compact and renew our commitment to its ten principles, initiatives and commitment where appropriate and feasible.

Sincerely yours,
