**Subject: Grace Letter - Request a COP due date extension**

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to some organizational constraints due to changes occurring in the company.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by August 31<sup>st</sup>, at the latest.

We apologize for any embarrassment that this may bring to your work and thank you in advance for your understanding.

Sincerely yours,
