AYA Bank embarks on the 7th year on the journey, and 5th year of commitment to the United Nations Global Compact (UNGC). With the successful and landmark transition to democracy and large scale legal and regulatory reforms in the pipeline, particularly in the financial services sector, AYA Bank reaffirms our support to the Ten Principles of the United Nations Global Compact.

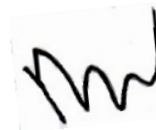

Since adopting the UNGC principles, AYA Bank has been working consistently to raise the governance standards internally so as to become a role model for the rest of the industry.

In the short period of 7 years, AYA Bank Ltd. (AYA) has become the 2nd largest private bank in Myanmar in terms of Customer Deposits, Loans & Advances, Capital, Branches and Number of Customers. For 3 consecutive years now, AYA is the only IFRS compliant bank as well as the only one to be audited by an international big 4 firm – Deloitte. Between 2013 and 2016, Deposits and Loans & Advances of private banks increased by 38% and 44% (CAGR) respectively, while AYA Deposits grew 89% and Loans & Advances 84%. In 2017 AYA was again the fastest growing bank with 44% growth in Deposits and 39% in Loans & Advances. AYA touches a wide cross section of customers with the largest 100 depositors comprising less than 7% total customer deposits.

In working towards our goal to be a leading bank in the country, we adhere to and embed the UNGC Principles into our practices, policies and operations.

In this 5th Communication on Progress Report, we highlight a summary of our progress in adhering to the Ten Principles. Additionally, we commit to share this information with our stakeholders using our primary channels of communication.
