August 11, 2017

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regards to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to unfortunately our mail server has classified your emails as advertising and we have not been aware of the deadline.

We hereby ask for an extension period in order to be able to post a COP that describes our company's effort and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by September 16th at the latest.

Sincerely yours,

Federico Tenorio
Director General
