

A GLOBAL THINK TANK IN HIGHER EDUCATION

TO
United Nations Global Compact

Initiatives taken by MTC Global in line with the UN Global Compact

The following initiatives are taken for the year 2015-16:

1. Our Certification Course in “Human Rights in Management Education” in line with the Principles of Responsible Management Education and Human Rights Violations is doing quite well and many individuals enrolled for the program.
2. Helped many institutions like NHCE, Bangalore, ISME, DSU , CiTech etc to enter into MOU with the foreign universities in Bangladesh and Russia to engaged in joint research and exchange programs thus transfer of skills across the border and collective quality enhancement.
3. Launched over 100 certification courses under the banner of MTC Global Leadership Institute as part of Skill India Initiative [www.mtcgli.net] and continuous learning initiative to re-skill or upgrade skill sets.
4. MTC Global’s 6th Global Convention Sankalp-2016 was held at International School of Management Excellence on 16-17 Sep 2017 on the following themes:

THEME: DISRUPTIVE INNOVATION IN EDUCATION

Sub-Themes:

- (i) **Universities and Institutions in its New Avatar:** Can pure offline, brick-and-mortar Institution and university models will fulfil the aspirations of the youth? Emerging areas and beyond.
 - (ii) **Smart Learning and Changing Mindsets of Multiple Stake Holders** – Convergence of new forms of learning as an engine of economic growth. How we learn and who we learn from have transformed.
 - (iii) **Disruptive Education for Entrepreneurship and Start-ups:** Educational initiative to promote Entrepreneurship and start-up at Government level like Make-in-India, NSDC, Padhan Mantri Kaushal Vikas Yojana and also at college / university / individual level etc.
5. Many joint conference with the different colleges in India on the topics of great relevance.

6. Our online educational portal at www.theglobepost.in is for online petitions for some genuine reasons and draws the attention of the stake holders.

7. Participated in the plantation program in Bangalore region.

8. MTC Global is actively engaged in Government PU College in Bangalore for conducting sessions to upgrade their English language proficiency as a service and community engagement initiatives.

9. Conducted training programs under UGC, Govt of Bangladesh for their two batch of senior professors in Bangalore on the subject 'Quality Assurance in Higher Education' address some of the issues like poverty eradication, counter terrorism, life long learning, EdTech and its impact, environmental issues and other relevant issues.
