Youth Foundation of Bangladesh

Youth are the future leaders, planners and decision-makers of our nation. They are the most energetic and productive segment of the total population in Bangladesh. Therefore, the national development mostly depends on their working spirit and initiatives. As per national youth policy the population in the age group of 18-35 years is considered to be youth. Youth are one-third of the total population.

Youth Foundation of Bangladesh (YFB) is a non-govt. non-profitable and non-political voluntary Youth organization. It was established in 19th October 2009, with the initiation of group of educated university student who are social oriented, aim to confirm youth engagement in the relevant of social aspect, youth development, youth self actualization, to change the socio-economic, exchange culture, aware people to change and develop country as well as better Bangladesh.

Visional aspect:

YFB is completely youth based organization. Our aim is to unite young and to build their living meaningful. Every youth have the ability to change the social environments by changing own. It is young responsibility to build the foundations of social atmosphere. Our plan is to awake up the theme of social responsibilities in every aspects of the world. If it achieved then only young can bring peace and happiness all over the world.

Principles:

YFB policy designed some achievable key points from the research ground-

1. To transform the unemployed youth into organized, disciplined and productive workforce.
2. To facilitate the unemployed youth for self- employment/wage employments at home and abroad providing skill development training and micro-credit support.
3. Disseminate information about the methods, techniques and activities of youth organizations.
4. Collect & Promote the interchange of ideas between youth of all countries.
5. To involve the youth in the mainstream of national development process.
6. Confirm Youth Engagement through social activity like inter cultural development, Environmental learning and shearing, Gender, Education, Social Development, Poverty etc.
7. Learning & Sharing tolerance, understanding, solidarity and cooperation among young men and women irrespective of race, sex, language, religion or political orientation.
8. Encourage the full participation of young men and women in the development process of their countries
9. Facilitate the collection of information about the needs and problems of youth.
10. Engaging different sector in order to confirm Corporate Social Responsibility with their higher satisfactory business cooperation.

Youth Philosophy:

We are young; we calling the power of nation. Nation expansion depends on young progress but due to social complexities young are failed reach the aim and object what they containing in heart. They can't sets the aim and object due to sophistications of social atmosphere where as the future development of the nation depends on young. Right now, if we failed to suggest them on the right way in right time then first they will destroy themselves thereafter the country

Goal:

Confirm Youth Engagement to address better Bangladesh in order to establish high standard living environment.
