

12 September 2017

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are slightly late in creating, sharing and posting our COP report (which originally is due on 26 September 2017) due to that our main reporting product is being prepared to also be included in our ultimate parent company's, Investor AB, annual report 2017.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website 23 December 2017¹ at the latest.

Sincerely yours,

Mr. Jon Sintorn, CEO of Permobil Group
