## GRACE LETTER

Date: 15<sup>th</sup> September 2017

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that companies of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to "non opening of our user account and hence we could not identify the last date as well" on UNGC website. However, we are able to login today and found that the last date is 7<sup>th</sup> September 2017.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP Report will be posted on the UN Global Compact website by 30<sup>th</sup> November 2017 at the latest.

Sincerely Yours,

Mr. G. Gandhi

Deputy General Manager (CSR)
