To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are late in creating, sharing and posting our COE report due to the resignation of our employee, which was working on COE report. Our new employee is still working on the report. We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by the 4th of January 2018 (90 days) at the latest.

Sincerely yours,

Mr. Abdülhamit PEHLİVAN
Director of Foreign Relations
