Subject: Submission of Teranga Gold Corporation Communication On Progress 2016 and statement of continued support to the United Nations Global Compact

To our stakeholders,

I am pleased to confirm that Teranga Gold Corporation reaffirms its support to the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

At the same time, I am proud to submit Teranga Gold Corporation's second Communication on Progress to the United Nations Global Compact in the form of our responsibility report 2016. In this annual Communication on Progress, we describe our actions to integrate the Global Compact and its principles into our business strategy, culture and daily operations. We are also committed to share this information with our stakeholders using our primary channels of communication.

In addition, this year, our Responsibility Report includes a dedicated insert to celebrate the 10 years anniversary of the Sabodala Gold Mine, which can be accessed here: [10 Years of Sabodala insert](#)

Yours Sincerely,
