To our Stakeholders

We recognize that key requirement for the participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the previous person handling our Marketing / HR / Sustainability projects, have resigned.

We hereby ask for an extension period in order to able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 15 January 2018 at the latest.

Sincerely yours,
