Dear Mr. Secretary-General,

Participating Non-profit of UN Global Compact

We are pleased to confirm that Junior Chamber International Hong Kong supports the 10 principles of the UN Global Compact with respect to Environment, Children's Rights, Governance and Advancing Sustainable Development. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

- To engage with Global Compact Local Network;
- To engage companies in Global Compact-related issues;
- To provide commentary to companies on Communications on Progress;
- To participate in Global Compact global and local events;
- To foster social harmony for ethnic minorities; and
- To raise fund for Nothing but Net Foundation.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the 10 principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within 2 years of joining the Global Compact and every 2 years thereafter according to the Global Compact COE policy.

Yours Sincerely,
