Dear Mr. Secretary General,

I am pleased to confirm that Institute for Integrated Rural Development (IIRD) supports the ten principles of UN Global Compact with respect to Human Rights, Labour, Environment & Anti Corruption. With this environment, we express our intent to advance these principles within our sphere of influence, and will make a clear statement of this commitment to our stakeholders and general public.

We recognize that a key requirement for participation in the Global Compact is the annual submission of the Communication of Progress (COP) that describes our effort to implement the ten principles. This is our Third Communication On Progress.

We pledge to continue to take part in the activities of the UN Global Compact where appropriate and feasible - through for instance, participation of Country/ Local Networks, involvement in special initiatives and work streams; engagement in partnership projects; and reviewing and providing commentary to participating companies on their Communications on Progress.

Sincerely Yours,

Dr L C Sharma
Managing Director (IIRD)
