**To our stakeholders:**

**We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.**

**We are late in creating, sharing and posting our COE report due to problems with the computer that stores our work data.**

**We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 12/31/2017 at the latest.**

**Sincerely yours,**

---
