Dear Mr. Secretary-General

I am pleased to confirm that The Speakers Group reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption. This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

We have attracted new participants to the UN Global Compact through their outreach efforts and awareness raising, and also held related events and activities for the training of their members on the UN Global Compact and specific topic relevant to the corporate sustainability.

The Speakers Group will continue to participate in the activities of the United Nations Global Compact, and coordinate with our members in the UNGC to further the Ten Principles in terms of environment protection, etc.

Sincerely yours,

Jeffrey Meng
