

KOU FU PACKAGING CORPORATION

Lot 4 & 5 Block 3 Phase 2
Mountview Industrial Complex
Bancal, Carmona, Cavite
4116 Philippines

This is our **Communication on Progress** in implementing the principles of the **United Nations Global Compact** and supporting broader UN goals.

We welcome feedback on its contents.

Statement of Continued Support

KOU FU PACKAGING CORPORATION hereby reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-corruption.

In this our first Communication on Progress, we attempt to describe the actions we have taken so far to align our operations and strategies to the 10 Principles. We also express our commitment to share this information with our stakeholders through our regular communication channels.

CARRYLL YU

Chief Executive Officer

Company Background

Kou Fu Packaging Corporation specializes in customized designs and provides the needed printed materials, packaging products, marketing collaterals and displays to its various customers. The functionality of the designs protects the products from damages so that they reach the end customers in good condition, ensures ease of storage in warehouses and aesthetically prints the product information thereby increasing its marketability.

As it aspires to expand its product offerings and sustain the quality of its products, it has kept up with the current trends in the industry and implemented a quality management system which has already acquired certification to international standards. It is also an active member in local printing and packaging associations.

Currently, the company provides exclusive product lines to the following industries but not limited to:

- Electronics
- Automotive
- Personal care
- Entertainment
- Publishing
- Pharmaceutical
- Advertising
- Sports

Our CSR Initiatives

In April 2016, Kou Fu Packaging launched its CSR Programme through the deployment of the CSR Code of Conduct below:

**KOUFU
PACKAGING**

01 April 2016

Our CSR Initiatives

To show its care for the environment, Kou Fu Packaging has developed and implemented the **Environmental Policy** alongside the Quality Policy:

THE QUALITY POLICY

KOU FU PACKAGING CORPORATION aspires to become the preferred provider of paper-based packaging, marketing collaterals, signages, and ads & display for local and international brands. We commit to achieve this by providing quality service and products that meet the requirements and expectations of our customers.

The path we will take to achieve this level of quality will be through:

- Full implementation of a Quality Management System that meets the requirements of ISO 9001 International Standard
- Listening to inputs from our customers and keeping abreast with the latest developments in the industry to improve our internal processes.
- Making everyone in the company involved in the continual improvement of the Integrated Management system

THE ENVIRONMENTAL POLICY

We, at KOU FU PACKAGING CORPORATION, commit to subscribe to the principle of working in harmony with the environment by integrating Environmental Management practices in our processes.

The path we will take to uphold this commitment will be through:

- Minimization of our negative impacts.
- Complying with applicable legal and other requirements.
- Conservation of natural resources at our disposal.
- Imparting environmental awareness and training to our employees to make them active participants and implementers of our EMS thereby contributing to its continual improvement.
