

A Coruña, 11/23/2017.

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

In order to improve the presentation of the information contained in our Communication on Progress (COP), to becomes more friendly for our stakeholders, we are proceeding to a restructuring of the structure of the report. As a result of these changes, we are late in creating, sharing and posting our COP report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by December 31, 2017 at the latest.

Sincerely yours,

Mr. Andrés Pilas
CEO Ambical Proyectos, S.L.
