

Statement of continued support by the Chief Executive Officer

Date: 29.11.2017

To Whom It May Concern

As Co-Founder and Chief Executive Officer of BASE Technologies Ltd, I am pleased to confirm BASE Technologies' on-going support of the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption.

Adopting the growth mind we are continuously keeping us ahead of the fast paced and ever changing environment of the technology world. The passion to serve better each day is making us go beyond all boundaries and comfort zones to craft things greater than ourselves.

BASE Technologies continues its commitment to voluntarily advance the ten principles of the UN Global Compact as applicable to BASE Technologies facilities worldwide. We continue in our commitment to incorporate the UN Global Compact principles in our corporate strategy, business culture and day-to-day operations and activities.

Sincerely,

Md. Jubair Ahmed

Chief Executive Officer

BASE Technologies Ltd.
