United Nation Global Compact (UNGC) –Communication on Progress November 30th 2017

Commitment Letter from Managing Director

New Link Marketing Limited has just completed 4th year of being a United Nation Global Compact member whereby New Link abided by the ten principles of the United Nations Global Compact. I am pleased to reaffirm that New Link Marketing Limited will continue to support the ten principles of the UNGC.

To raise the governance standards internally so as to become a role model for the rest of the industry, New Link Marketing Limited has been working consistently since adopting the United Nations Global Compact principles. To be regarded as a Vanguard Company in our industry, we stick on and embed the UNGC principles, policies and operations, with respect to human rights, labor, environment, and anti-corruption.

Yours Sincerely

Thida Thant

Managing Director
