Dear United Nations Global Compact Office,

As a UNGC participant since 29th December 2011, Anadolu Efes annually publishes sustainability report which also serves as Communication on Progress (CoP). However, due to the changes occurred in reporting bodies, we will be able to publish our sustainability report in December 2017.

Therefore, we hereby ask for an extension period of 90 days in order to be able to post a CoP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

We appreciate the consideration given to our request, and we greatly value our continued support to the UN Global Compact.

Sincerely,

A handwritten signature in blue ink, consisting of stylized, overlapping loops and curves.
