To our stakeholders:

Grace Letter

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report because of a "Green Toilet project" we are currently conducting research in a slum in Delta State, Nigeria. We currently do not have access to internet due to lack of electricity in the project location. We hereby ask for an extension period of eighty (80) days from the date of submission of this letter in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact.

Our COE will be posted on the UN Global Compact website on or before 21st of February, 2018.
We sincerely apologize for not submitting the COE report on the due date.
Thank you.

Yours faithfully,

Mr. Chidi Ochem
Executive Director, GTS
