WE kicked off our 8th Annual United Way Campaign the same way we've kicked off our prior seven campaigns --- **WE BEGAN WITH THE END IN MIND!**

WE set **TWO BIG, BOLD GOALS**, then we collectively set out to achieve them!

WE knew that it would be a stretch to reach \$400K in financial pledges, but in light of the growing needs in our communities across the country, **WE** accepted the challenge!

WE recognized that it would be hard to increase the number of e-pledge participants after a tough year for our business, but **WE** refused to be deterred!

When the final results were tallied, **WE** may have fallen short of attaining our goals, but **WE** demonstrated our resolve for giving back and making a difference in the communities where **WE** live and work!

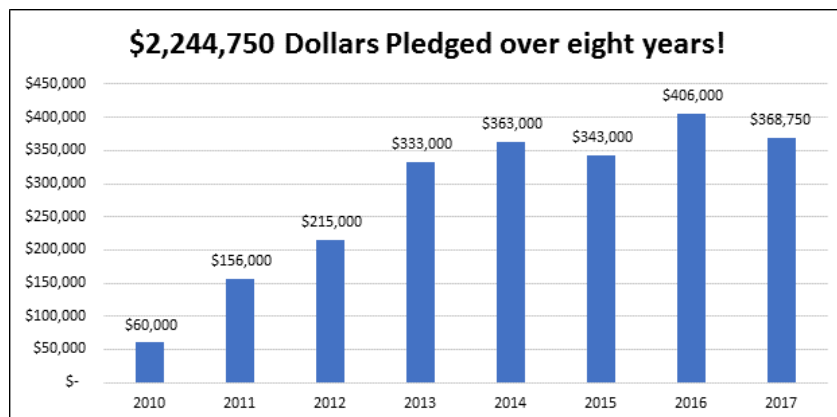

Together, **WE** delivered results that **WE** can all be proud of!

Together, **WE** produced an incredibly meaningful outcome, which will create community impact throughout our nation!

TOGETHER, **WE** pledged close to **\$370,000** in financial support for United Way.

TOGETHER, **WE** were recognized as a **TOP 25** corporate campaign (*along with the likes of P&G, GE, Macy's, Kroger, Fifth Third Bank, US Bank, and PNC Bank*) for the 4th year in row!!!

Just look what **WE** can do and what **WE** have done! Anything is possible when we work **TOGETHER** to achieve **BIG GOALS!** It's humbling. It's exciting!
