

December 15, 2017

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Our report is entering the final review process, and in order to finalize our document with information that is comparable to the previous version, we hereby request a grace period, in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Please accept this letter as our formal confirmation that ITG's new COP report will be posted on the UN Global Compact website by February 12, 2018 at the latest.

Sincerely yours,
