## UN Global Compact

Dear Mr. Secretary General

I am pleased to inform you that carbon-connect AG supports the ten principles of the Global Compact on:

- Human rights
- Labour
- Environment and anti-corruption

With this letter we express our intent to implement those principles. Global compact and its principles are part of our strategy, culture and day-to-day operations of our company, particularly the Sustainable Development Goals. carbon-connect AG will make a clear statement of this commitment to our stakeholders and the public.

We are aware of the requirement of the annual submission of a Communication in Progress (COP) for participating in the Global Compact. COP describes our company's effort to implement the ten principles of Global Compact. carbon-connect AG supports transparency and therefore commits to report on progress and annually thereafter according to the Global Compact COP Policy. This includes:

- Statement signed by the CEO expressing continued support for the Global Compact and renewing our ongoing commitment.
- Description of practical actions that carbon-connect AG has taken.
- A Statement of outcomes.

Kindest Regards,

Pascal Freudenreich  
carbon-connect AG
