To our stakeholders:

We are aware that a key requirement for participating in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing, and posting our COP report because this month we will conclude the activities precisely for this reason.

We hereby request an extension in order to be able to post a COP that describes our company's efforts and progress in implementing the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by March 26, 2018, at the latest.

Sincerely yours,
