Object : UN Global Compact – Grace letter for COP publication

Dear Mr Secretary-General,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report this year due to our will to coordinate our CSR communication support with the publication of our COP for UN Global Compact. We would like to strengthen our COP by issuing a dedicated CSR document with the Europcar CSR achievements and progress for 2017 in line with our Group Registration Document.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by April 9<sup>th</sup>, 2018 (in the period of 90 days from our COP deadline) at the latest.

Sincerely yours,

Caroline PAROT  
CEO
