

Anti Corruption

Assessment, Policy and Goals

BRISAD INTERNATIONAL NIGERIA LIMITED actively supports the UN Convention against Corruption and will not participate in any corruption, bribery or extortion and we work against it in all forms. The policy of Business Ethics as well as the Entertainment and Sponsor Policies are tools in place to further advance transparency and the zero tolerance on bribery, extortion and corruption.

BRISAD INTERNATIONAL NIGERIA LIMITED actively cooperates with Custom Agencies in countries of operation and implements a Customs Policy that guides the interaction between BRISAD INTERNATIONAL NIGERIA LIMITED, CUSTOMS and OUR CLIENTS in order to fight crime and corrupt behaviour. The objective for 2018 is to train our staff, revise and streamline the different policies to make them more coherent.

Implementation

In 2017 every worker had to read BRISAD INTERNATIONAL NIGERIA LIMITED policies concerning Anti Corruption and had to sign having done so.

Measurement of Outcomes

BRISAD INTERNATIONAL NIGERIA LIMITED has not been involved in any legal cases, rulings or other events related to corruption and bribery. BRISAD INTERNATIONAL NIGERIA LIMITED uses the Controllers and Internal Auditors to identify spurious payments that could be related to bribery or corrupt behaviour.
