

22nd January 2018

To our stakeholders,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due to technical issues related to the production of the report.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website the latest 28th April 2018 (90 days from the current deadline).

Sincerely yours,

Dr Sumaia El Zein A. Badawi
Associate Professor
Representative of AUW at UNGC
