COMMUNICATION ON ENGAGEMENT (COE)

From 2013-11-01 to 2018-01-01

Part I. Statement of Continued Support

December 31, 2017

To our members and partners:

I am pleased to confirm that The Nikola Tesla Foundation International (NTFI) reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption.

This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents.

In this Communication of Engagement, we describe the actions that our organization has taken to support the UN Global Compact and its Principles as suggested for an organization like ours.

We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

Goran Zubic
President & CEO

Part II. Description of Actions

At The Nikola Tesla Foundation International (NTFI), our mission is to preserve the legacy of one of the greatest inventor of humankind, and to bring awareness and understanding of Nikola Tesla's innovations and ideas to the greater public for the development of youth and innovations.

The actions that our organization has taken to support the UN Global Compact and its Principles:

- In cooperation with our partner WAY - The World Association of Youth we implemented a series of activities and promotion of the importance of UNGC and principles.
- We propose several partnership projects on corporate sustainability in the sector of healthcare and youth empowerment.
- Permanently engaged in actions related to warning and support to companies in Global Compact-related issues.
- In cooperation with regional nursing organizations in Southeast Europe, a number of activities were carried out with special emphasis on the elimination of discrimination in employment and occupation.
- In all of its educational programs for youth and healthcare professionals have implemented the contents related to the Global Compact.

Part III. Measurement of Outcomes

Measurement of outcomes of the actions that our organization has taken to support the UN Global Compact includes:

- Extremely increased the interest of youth organizations for The Ten Principles of the UN Global Compact, especially in the sector of startup companies and youth empowerment.
- Successful planning and start of project implementation on corporate sustainability in the health care and youth training sector.
- Increases the company's sensitivity to corporate sustainability between all partners in our projects.
- Significant awareness of increasing the sensitivity of companies in the healthcare system to the importance of eliminating discrimination in employment and occupation.
- The great interest of our partners about the possibilities of participating in the UN Global Compact and several companies and organizations announced their joining the program.
