

Barcelona, 28th January 2018

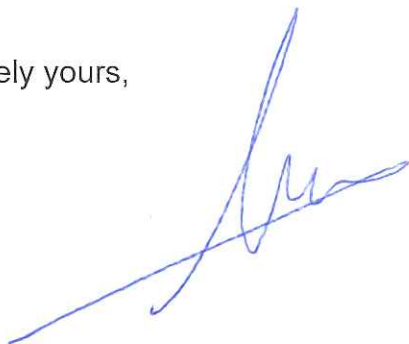

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Engagement (COE) that comprises of a chief executive statement of continued support for the UN Global Compact, a description of practical actions in support of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COE report due the change in the data collection system, carried out in the last quarter of 2017, and to the increase in the diversity of indicators linked to the important analysis areas in support of the UN Global Compact.

We hereby ask for an extension period in order to be able to post a COE that describes our organization's efforts and progress in support of the UN Global Compact. Our COE will be posted on the UN Global Compact website by 30th March 2018 at the latest.

Sincerely yours,

Maite Cayuela Torrella
President
