

STÉARINERIE DUBOIS

GRACE LETTER

Paris, February 1st, 2018

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regards to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting out COP report due to the launch in the next few months of our new sustainable report which will allow us a wider Communication on Progress.

We hereby ask for an extension to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP will be posted on the UN GLOBAL COMPACT website by April 30th, 2018 the latest.

Sincerely yours,

Hervé Gondrand
