Objet: grace period request

To our Stakeholders

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting a COP that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting COP report : January corresponds every year to a full activity registering period and start of accounting period.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by the 9th of May 2018 at the latest.

Sincerely yours,

Mr VITAL DURAND Fabrice
CEO IDEALEC
