

## **To United Nations Global Compact**

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and post of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to organisational and personnel changes in the responsible departments.

We hereby ask for an extension period in order to be able to post a COP that described our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by April 23<sup>rd</sup>, 2018 at the latest.

Thank you for understanding.

Yours sincerely,
