Grace Letter for the UN Global Compact,

To whom it may concern,

I am writing this letter on behalf of Mifalot Education and Society Enterprises organization which is based in Ramla Israel, to request an extension of time to submit the COE and report on Mifalot's activities in the past two years- 2015-2017.

My name is Lior Davidi and I am the new international Development Manager at Mifalot. I joined the staff very recently, in last November 2017. Hence, I will need more time to work on the COE and make sure that I cover the most relevant activities that are related to the Ten Principals of the United Nations Global Compact and after I will be able to go through all of our recent progress in the past two years, since I would like to submit the report properly and make sure that it is done in the best possible way.

I would appreciate your consideration and understanding for this exceptional request.

I thank you for this kind opportunity to submit the COE in 90 days from today and I will do my best on behalf of Mifalot to submit it before the next deadline- May 21 2018.

Thank you,
Sincerely,

Ms. Lior Davidi
