

23 February 2018

To our stakeholders:

We recognise that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report as the previous point of contact in Hyflux Ltd has left the organisation and we have only received the email reminder on 20 February 2018. We are currently in the process of putting together our 2017 Sustainability Report based on the GRI Guidelines. The report is not due until end of May 2018.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 27 May 2018 at the latest.

Sincerely yours,

Ms Dawn Tan Ee Lynn
Assistant Vice President
