

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to the fact that Sidsel Lundtang, former Sustainability Manager at Sprout was appointed CEO October 2017. As it is Sidsel who is creating Sprouts COP this has been delayed.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by May 27th 2018 at the latest.

Sincerely yours,

February 27th 2018

Sidsel Lundtang, CEO
