

GROUPE LABRENNE

Le 8 février 2018

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a CEO statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

*We are late in creating, sharing and posting our COP report due to **la migration à la nouvelle version de nos certifications ISO9001 et 14001comprenant une nouvelle politique et axes stratégiques orientés DD et RSE. Pour ce faire il a fallu revoir tous nos indicateurs et objectifs ainsi que d'élaborer un plan d'actions incluant la modification de notre organigramme.***

*We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by **30 mai 2018** at the latest.*

Sincerely yours,

Philippe Caussin, PdG
