

Grace letter

March 16th 2018

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP). Our 2017 Annual & Sustainability Report which constitutes our COP is released on March 20th and we hereby ask for an extension period from the March 16th deadline. It will be posted on the UN Global Compact website by March 23rd at the latest.

Sincerely yours,

*Henrik Weinestedt
Sustainability Director*
