Statement of Continued Support to the United Nations' Global Compact

To our stakeholders:

I am pleased to confirm that Bonsucro (registered in England as "Bonsucro Limited") reaffirms its support to the United Nations Global Compact and its Ten Principles in the areas of Human Rights, Labour, Environment and Anti-Corruption.

This is our Communication on Engagement with the United Nations Global Compact. We welcome feedback on its contents. In this Communication of Engagement, we describe the actions that our organisation has taken to support the UN Global Compact and its Principles as suggested for an organisation like ours. We also commit to sharing this information with our stakeholders using our primary channels of communication.

Sincerely yours,

Miguel Hernandez
Interim CEO

List of Activities in Support of the UNGC (2016-18)

- Organisation of training sessions with Bonsucro members and interested stakeholders on topics related to the Ten Principles, in particular, training on the interpretation of criteria and indicators of the Bonsucro Production Standard on Human, Labour, and Environmental topics.
- Formal endorsement of UNGC to our membership and website as well as regular communications to our members on opportunities regarding UNGC-related topics.
- Building dialogue with companies and NGOs involved in the Global Compact.
- Examining companies' performances on sustainability issues through the Bonsucro Production Standard and certification system, giving transparency to stakeholders in the sugarcane supply chains.
- Implementing Country Accelerator Plans (support verified performance improvement on sustainability and impact programs on water, land and labour) in India, Thailand and Mexico

Measurement of Outcomes

- Engagement of our members around UNGC-related topics and measurement of success based on metrics of the Bonsucro's Production Standard as defined in Bonsucro's Theory of Change and Priority Indicators for Monitoring & Evaluation.
- The latest Outcome Reports with metric indicators and analyses can be found at:
